Warning

Placing a *bag of holding* inside an extradimensional space created by a *Heward's handy haversack, portable hole,* or similar item instantly destroys both items and opens a gate to the Astral Plane. The gate originates where the one item was placed inside the other. Any creature within 10 feet of the gate is sucked through it to a random location on the Astral Plane. The gate then closes.
The gate is one-way only and can't be reopened.
